

Vestry Meeting Highlights Wednesday, August 16, 2017

Doris Snyder led us in Dwelling in The Word based on John 17 – Jesus Prays for All Believers – followed by a discussion on how to nurture our relationship with God.

We noted many positive comments from the congregation on their being kept informed throughout the transition period. It was also noted that the memorial garden has become overgrown and we approved hiring a landscaper to remedy the situation..

We voted to participate again in K-Fest on October 14th

We voted to approve the 2018 financial stewardship letter and tri-fold that will be distributed to the congregation on September 24.

Outreach Committee reported that they have continued their investigation of the possibility of hosting a community garden, and that they are attempting to learn more about our outreach neighbors.

We offered thanks for Nancy Moody for graciously offering to be interim music director, for Mary Harbinsky for volunteering to be Vestry Clerk, for Christine Rudolphi for all her years of cheerful service, for Mike Roehrer for filling in during the sexton's vacation periods, and for Guy Baskinger for everything he does.

We reviewed and approved the July Treasurer's and Quickbooks reports and everything is currently on track. It was noted that the mid-year pledge statements will be available the week of August 20th.

We approved replacing the two leaking skylights in the large skylight room and replacing the broken air conditioner in the After School Program classroom.

Music Director Search reported that an audition with the full choir by a promising candidate was scheduled for August 17th

The Transition Team reported that they have received resumes or inquiries from 5 perspective candidates.

The Parish Profile Committee has completed its one-on-one interviews and is scheduling several group discussions before writing up the profile, which will be presented to the Vestry for approval in September.

We amended and approved the Parish Program Dates for 2017-2018 as well as the September calendar

Respectfully submitted,

John Simonelli, Senior Warden
