

Vestry Meeting Highlights – June 18, 2015

The meeting began with prayer offered by Dale Pappas Wilhelm

Mary-Esther's spiritual meditation focused on the South Carolina shooting.

Stacey reported that there will soon be a joint meeting of the Vestry and the new Going Local Guiding Team.

We discussed ideas brought to us by the congregation –

- That in the spirit of going local we should send thank-you letters to Marty Shoes and Kataw Jewelers for their years of service to the community as well as a welcome letter to Marshall's when their new store opens.
- That we seriously consider repairing and repainting the kitchen ceiling, which in fact we will do now that we're sure the roof no longer leaks.

We heard a presentation on Church Insurance by Bill Lodico from the Church Pension Group, and as soon as we get the renewal quote from our present provider the Vestry will decide whether to change.

David – through his written report – noted that in the Fall we will be reviving the Eucharistic Visitor program, that he will be leading weekly “Children’s Time” for elementary school children to learn about Jesus, and that he will be leading weekly “Youth Time” for older children to prepare for confirmation.

We approved the Treasurer's report as presented.

Mary-Esther noted that not everyone's Time and Talent sheets have been returned, and urged the Vestry to follow up with those on their respective lists who have not responded.

The Property Committee reported that we have applied for a \$25,000 Ward J. Herbert Grant from the Diocese, and that they will be cleaning up and repairing the small skylight room for possible use as a study space.

Respectfully submitted,

John Simonelli, Senior Warden
